

QUALITY-SYSTEM APPROVAL

according to Marine Equipment Directive

NOTIFIED BODY 0809

This is to certify that the manufacturer

Potma Oy

operates an approved quality system for

**sandwich panels with low flame spread characteristics,
non-combustible honeycomb core materials and C-class divisions**

The examined quality system meets the provisions of The Marine Equipment Directive 2014/90/EU,
that apply to

production-quality assurance (module D).

The manufacturer is allowed to affix the U.S. Coast Guard approval number (according to this certificate) as allowed by the "Agreement between the European Community and the United States of America on Mutual Recognition of Certificates of Conformity for Marine Equipment" signed May 26, 2023 and amended by Decision No.1/2023 signed May 26th 2023.

The certificate was issued on October 2, 2021

The Certificate is valid until October 2, 2024 unless cancelled or revoked.

Quality-system assessment reports

Audit of the plant on February 9, 2023. Inspection report of Eurofins Expert Services Ltd. No. EUFI29-23000012-I1, dated February 14, 2023.

Conditions

The manufacturer must fulfil the obligations arising out of the approved quality system.

The manufacturer must keep the notified body informed of any updating of the quality system.

This approval is subject to an annual renewal audit

Notes

This certificate authorizes the manufacturer or his authorized representative established within the Community in conjunction with the EC Type Examination (Module B) Certificate of the equipment listed in the appendix of this certificate to affix the "Mark of Conformity" (wheelmark).

This certificate loses its validity if the manufacturer makes any changes or modifications to the approved quality system, which have not been notified to, and agreed with the notified body named in this certificate and after lapse of time, withdrawal or revocation of the EC Type Examination (Module B) Certificate.
